

Being Jewish at College

Are you selecting a college, or have you already selected your college?

Join us for an informal discussion between

- Parents
- College-bound or college-searching or college-thinking students
- Parents of students currently or recently in college

We will talk about the wide range of Jewish campus experiences available,
formal and informal.

We will share real stories from real people.

We will discuss your questions and concerns.

Sunday, October 18, 2015

4 pm to 5:30 pm

At Congregation Kneseth Israel

330 Division

Elgin, IL 60123
